The Principal
.....
.....

Sub. : Request for promoting and encouraging students of your institution for appearing in the "Genius Award-2012" examination brought by JNU (Seedling) so that students can show their talent and get into the course / subjects they crave for

Date of Examination: 8 January 2012, Time: 9.30am to 11.30 am.

Dear Sir / Madam,

It gives us immense pleasure in introducing Jaipur National University (a venture of seedling group of educational institutions), one of the leading University in India. The University was established by the Government of Rajasthan in 2007 under Jaipur National University, Jaipur Act and approved by the UGC under clause 2(f) of the UGC Act, 1956. The sponsoring body 'Mahima Shiksha Samiti' has been in the field of education for more than thirty years, new benchmarking high standards in instructional designs and curricula. The University is located on tree lush green sprawling campuses in the idyllic surroundings at the foothills of the Aravalis.

The University is committed to providing quality technical and professional education and excellent learning environment. There are ample opportunities for the aspirants for holistic growth. The university offers UG, PG, UG-PG Integrated, M.Phil, Ph.D. and Diploma Programmes in various disciplines. We have been successfully running programmes in the areas of Engineering, Management, Pharmacy, Law, Computer Science, Life Sciences, Nursing, Education, Mass Media & Journalism, Languages & Literature, Hotel Management & Catering Technology, Medical Lab Technology and Distance Education. All the programmes have been duly approved by the various national level statutory bodies like AICTE, BCI, PCI, NCTE and DEC.

The University has viable tie-ups with universities abroad and premier research institutions in India for Joint research projects and faculty-student exchange programmes. We have students on rolls in different disciplines not only from different parts of India but also from foreign countries to take advantage of the opportunities available at JNU for professional development.

The University provides better avenues for higher education at affordable fee structure, JNU Jaipur has been honoured with the Vocational Educational Entrepreneurial Research (VEER) Award by Confederation of Indian Industries for innovation in Vocational Higher and Technical education. The University has also been accredited by American University Accreditation Council (AUAC) & by International Accreditation Organization (IAO).

On behalf of Jaipur National University and Seedling Group of Educational Institutes, I request you to kindly encourage and promote XII class students of your esteemed institution to appear in the JNU (Seedling) Genius Award 2012 examination which in turn prove a platform for developing their confidence in forth coming examination but also build-up their personality. Top scorer of this test will not only get fabulous prize but JNU will organize a camp for career counseling , so that students can choose a suitable option / subject of their choice, which appears to be a daunting task for them. Last Date of Receiving duly filled application form is 30th November 2011. You are requested to kindly forward the same to our office latest by 3rd December 2011. We will inform you the centre of examination. Date of examination is 8th January 2012 and time is 9.30 to 11.30 am.

We shall be obliged if you kindly communicate about newly introduced JNU (Seedling) Genius Award 2012 through enclosed poster by pasting it on your notice Board. Application form is also enclosed for your ready reference (photo copy is also acceptable). If you have any further query in this regard feel free to ask either to me or to Mr. A.K.Bhargava, Director (Science Popularisation) 9314288115.

I am happy to inform you that Jaipur National University is hosting 19th National Children's Science Congress from 27th to 31st December 2011. Selected 1200 child scientist from every state and union territories will join this event for their deliberations with their escort teachers. You can send your staff with students to witness this mega event which is going to be organized for the first time in Rajasthan on 27th December 2011 to attend the inaugural ceremony at 10.30 am. An exhibition of scientific literature and items/exhibits will also be a point of attraction during NCSC from 27th to 29th December 2011 between 11.00am-4.00pm on each day. Cultural performances by the child scientists can be enjoyed every evening 7.00 pm to 9.30 pm.

Thanking you for your cooperation and looking forward to the pleasure of interacting with your bright and talented students and learned faculty.

With regards,

Yours Sincerely,

{ Prof. H.N.Verma }
Pro-Vice chancellor
