- This codec software and Sony Vegas recording software is required for testing.
- We have installed codec software but that was a trial for a day now we need payment for this and already submitted bill for the same .
- Kindly process the remaining payment for further processing.

Respected sir

with reference to email dated 5th Sep 2020 discussion that we will require codec for transmission of data from studio to transmitter unit . as we had a Studio visit of Radio ~~www~~ Engineers on 25th oct 2020 they suggested a codec for transmission of data we will require this . I have talked with ATC Media LAB they will give us a trial of this codec then after we have to pay price for this codec is 24,745 + 18% GST. Kindly have a look at this point.
