Debate

(05th March, 2020)

On

"Citizenship Amendment Bill: A requirement of the nation"

The **Citizenship (Amendment) Bill, 2019** is being introduced in Lok Sabha in December 2019. The 2019 Bill seeks to make illegal migrants who are Hindus, Sikhs, Buddhists, Jains, Parsis and Christians from Afghanistan, Bangladesh and Pakistan, eligible for citizenship. Presently it is most debatable topic and also protested as petitioners says that Bill discriminates against Muslims and violates the right to equality enshrined in the Constitution whereas some says that Bill would not have arisen had Partition not taken place on the basis of religion. The Bill does not snatch citizenship of Muslims and there is no need for them to have any fear. The debate on the topic **"Citizenship Amendment Bill: A requirement of the nation"** was held among the students on 5th March, 2020. The teams were divided to discuss in favour and against the issue. The Hon'ble Vice Chancellor and Director of the concerned school participated in the deliberations and asked questions. The Judges included Mrs. Komal Audichya, Dr. Mithilesh Vishwakarma and Dr. S.Krishnan. The debate continued for more than 3 hours. It was concluded that the views of the debate were balanced.

Fresher's Party: Time for the Students to Break the Ice

14th September, 2019

"The magic in the air tuned into the chords of pulsating rhythmic hearts and bonds for the year that lay ahead."

A little music, New Faces, Tasty food, Smiles and resounding laughter all at the same time- yes, it is party time!! Parties happen in Jaipur National University that too at Seedling School of Law and Governance and they create a buzz among the Freshers to forget deadlines and their so called sacrosanctity. Party goes beyond every deadline and our fresher's party at Seedling School of Law and Governance is no exception.

While seniors were busy in hunting for venue, juniors had their own sartorial worries to put a good show for the very first time in front of the whole batch. Needless to say, girls and few beauty conscious boys played treasure hunt and explored the city this way. Otherwise our buses ply on one single route and don't give us such luxury.

Life is a long journey with many up and downs but the college life is a memorable journey of life. The students miss the time they spent with their friends, faculties and also group assignments, exam preparations, exam time, their bunks, events like today and everything which they do in their whole course.

Well...today...it is the day where the excitement has reached its peak, where senior students are glad to welcome the freshers and see their excitement too for the same. And not only the seniors, but the teachers are also eager to meet the freshers all, not for giving lectures but to stand by their side and join them in the celebration. It's the time to make the networks, interact with each other, making good memories and about being strangers, no more.

Since the beginning, the department welcome new members of the family and accustom them to the core values and rituals. The first year students of any college are like new members of the institution. They behold a million dreams in their eyes. And await the beginning of a new chapter in the book of their lives. Hence, keeping the trend alive, celebrating Freshers Day should express their best compliments to those budding minds stepping into the college with high hopes.

In order to gladly welcome its new batch of students, the Freshers Party was organized by the **Events and Cultural Committee of Seedling School of Law and Governance, Jaipur National University** as a small gesture that imbibed the enormous love the new students of Batch 2019-2024 as students would experience throughout their time spent in the institution. The event was at the Moot Court Hall, Seedling School of Law and Governance on September 14, 2019, beginning 2:00 pm. The programme was filled with excitement, joy, music, enthusiasm, laughter and happiness. Jovial smiles and high spirits marked the welcome party for the students.

The program kick-started with the speech about the foundation of the Seedling School of Law and Governance and also about its founding Director Late Prof VS Mani. Senior Students showed the clippings of Late Professor VS Mani, faculties (photos with songs), non-teaching staffs and speech of Dr. Mithilesh Vishwakarma, Mrs. Komal Audichya, Mrs. Preeti Bakshi and Prof TN Mathur were present during the event. Every participant was dressed dashing and were leaving fire on the ramp.

Juniors somehow could manage reaching after time but no punitive measures taken, rather they were the gate openers. Some lazy ones or who were overly conscious to go public had the luxury of money to reach venue on their own.

Hosts were the late comers for the first time but they are seniors, yeah...!! You are right, no questions asked. Juniors creatively utilized time to it's consummate potential... What else can you expect out of bunch of college goers to do!! Selfie time!! Selfie, groupfie in every corner was clicked and somehow was posted timely over Facebook to let the other law aspirants know what they are missing sitting outside. It was an attempt to fetch them to Seedling School of Law and Governance for the greater good.

The Freshers dressed up in retro, exuded immense charm and sophistication. The cheerful crowd of the students of Law Department were given a warm welcome. Inquisitive about campus life and conscious of the latest fashion trends, the freshers dressed up their best. The party scripts the beginning of hard work & fun the students would be paging through for the coming years at the college.
