2. Measures taken to complete the syllabus of courses and programs.		<p>University Course Calendar was renovated to deal with the pandemic condition. The Academic Calendar containing the dates of specific online lecture topics, ICT-based assignments, online exams, and deadlines for papers and other projects was prepared and followed strictly keeping in view of the slow and advanced learners. During the pandemic, the Jaipur National University has implemented an unceasing engagement model with the students, through which students were invited for online lectures and practical demonstrations. Each online session was conducted for a period of 60 minutes, in which 45 minutes were devoted to lecture, 15 minutes for Question and Answers, interactions, deliberations, mentoring and others. Students were provided references to video lectures (YouTube, Swayam, NPTEL, Course-era, and other platforms) and they were encouraged to refer to the said online portals.</p> <p>The Timetable Committee headed by the Director of each School and senior Faculty Members were finalized by higher authorities, enticement up a detailed timetable which efficiently deploys the units of time for academic and co-curricular purposes as for example, theory, practical, tutorial, life-skill, value education and add-on classes thereby ensuring a balance between the different types of online assignation a student is expected to partake in.</p> <p>Extra hours were devoted for remedial classes after completion of internal examinations to bolster students' preparedness before University examinations. Periodic online meetings of IQAC take stock of the progress of teaching-learning, and online meetings with parent ensured that the delivery of curriculum are regularly monitored and necessary course corrections were initiated. A lot of open-source like Google Meet, Google Classroom, Zoom, Facebook, YouTube, and WhatsApp based platforms were used by the faculty for taking remedial and extra classes. Teachers send their video tutorials live on YouTube and also the study material on the college website and WhatsApp group for weak learners and slow learners.</p> <p>At the same time, one or two students from each course were selected as Covid volunteers who will accomplish the duties to render evidence regarding online teaching-learning vice-versa. The student's feedback for the betterment of teaching-learning was hailed and anticipated changes were undertaken. No class without any strong reason was postponed or canceled. Moreover, the end examination, internal evaluation, and many international/national / state level webinars are conducted by many depts. / units of the university. Guest lectures were also undertaken for a few topics to speed up the course syllabus and give new experience to the students about the recent updates of the topics in their syllabus.</p>
