

Kinesia 2019 Medical Fest

With the advent of its first batch into the Third professional year, JNUIMSRC organized a MEGA event in the form of an annual sports-cultural fest "KINESIA-2019" that will further the legacy of this great institution in Rajasthan as well as nationwide. It was organized on the 10th & 11th May 2019.

The 2 day festiival attracted participation of more than 500 students from medical colleges of Rajasthan and New Delhi, providing students the much needed exposure and platform to showcase their talents. The event also witnessed the presence of renowned musical artists, comedians, eminent scholars and experts from the medical field. The students participated in various arts, academic, sports and cultural events.
