

# JAIPUR NATIONAL UNIVERSITY

Monday, July 20, 2020

**OFFICE ORDER**  
**INVITING APPLICATIONS TO PROMOTE THE STARTUPS BASED**  
**ON NEW IDEAS**

The University has setup an Incubation Centre to support the students and young entrepreneurs with focus to develop creative and innovative skills of the students and faculties. The University is inviting applications to promote the startups based on new ideas. The applications after evaluation by an expert panel from industries will be considered for financial assistance/support to start the new start ups. Technical support/mentoring will be provided by industry experts.

The Incubation Centre will support the start-ups and budding entrepreneurs from idea identification, mentoring, execution to seed funding in collaboration with Ennoble IP Pvt. Ltd.

Please send your applications at:
