Report on

e-Workshop on Personality Development

A one day on line workshop on “Personality Development” was organized by Department of Physics, School of Life & Basic Sciences on 27th April, 2021. The main objective of the Workshop was to familiarize participants with the emerging ideas and trends on how to develop personality in the 21st century contexts. The workshop also aimed to teach participants to work with various professionals, people and groups to understand the meaning of life and work in the present context; to enhance their communication skills and interpersonal skills in order to function in professional and social settings effectively; to enrich the academic language skills (writing and presentation skills) for academic writing and presentations; to understand effective planning, time management and implementation for setting goals and achieving both personal and professional goals; to learn to evaluate oneself (self appraisal and introspection) for further growth, personally and professionally

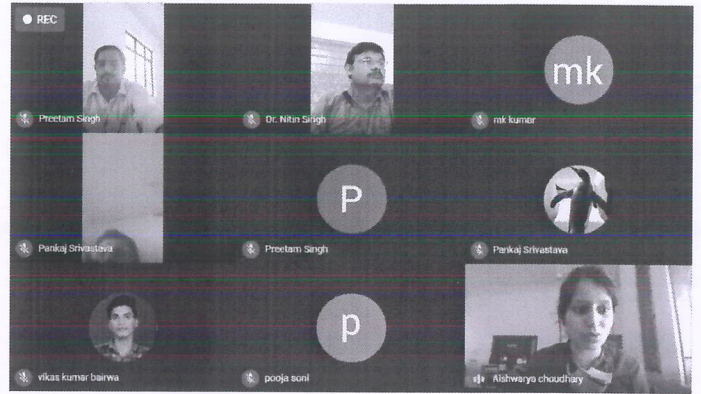

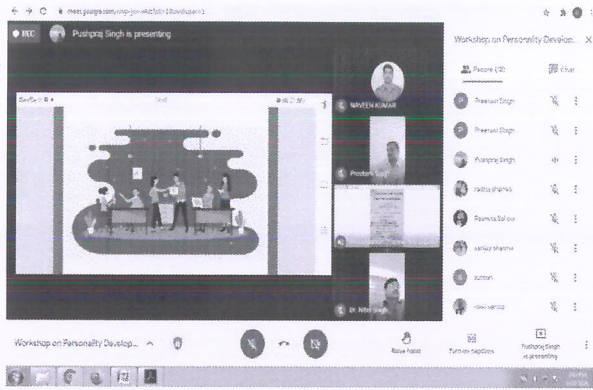

The Director, Prof. Harvir Singh inaugurated the programme with a speech focusing on personality. He also focused on the importance of workshop like personality development and motivated the students grab this kind of opportunities.

Prof. Nitin Singh delivered the concept note of the workshop highlighting the aim and objective of the programme. Dr Preetam Sing introduced the resource persons Dr. Pushapraj Sing and Ms. Aishwarya Kumari to audience.

In his talk Dr Pushapraj focused on communication skill and elaborates verbal and non-verbal communication in our professional life. He explained the importance of communication while talking to other in a professional way. Ms Aishwarya explained the various types of personality development and facts to improve the personality. She defined the meaning of persona and made the difference between internal and outer appearance of personality.
