## About Jaipur National University, Jaipur [Rajasthan] India

The heritage campus, Chandigarh Group of Colleges (CGC), Landran, is superlative in giving professional education to the students from all corners of the country. Established with the vision to be the most preferred educational institution with global recognition, CGC has come out to be one of the leading technical campuses of the country. The group commenced its journey in the year 2001 with strength of only 100 students and two programs; today group strength is 35000 students across 38 programs.

Chandigarh College of Pharmacy (CCP) under the aegis of CGC is a premier institute in the northern region of India, setting benchmarks in the field of science and applied sciences, with its research and applications. The institution was established in the year 2007 with an insight to promote excellence in pharmaceutical education and research. The college offers quality education in Pharmaceutical sciences at graduate level and post graduate level in Pharmaceutics, Pharmacology, Pharmaceutical chemistry and Quality Assurance. The institute is approved by Pharmacy Council of India (PCI) New Delhi, All India Council of Technical Education (AICTE), New Delhi and affiliated to Punjab Technical University, Jalandhar. CCP is recognized as Scientific and Industrial Research Organization (SIRO) by the Department of Scientific and Industrial Research (DSIR), Ministry of Science and Technology, Government of India for promoting and advancing the research. College has also a research advisory board. The college has highly qualified staff, world class infrastructure, state of the art laboratories, well equipped classrooms and best placements. CCP also has international tie-ups with Howest University, Belgium; Hogeschool, Netherlands; New College, Durham; UKEPHEC, Belgium etc to provide world class exposure to the students. This helps students in developing their skills, knowledge and attitude required for participation on a global level. CCP provides a great platform for students to develop their technical skills and get placed in the top notch companies and research institutions. For this, CCP has a 360 degree Training and Placement program which works on honing the aptitude, technical, professional and interpersonal skills of the students. The majesty of the teaching learning process at CCP is evident through enviable quality placements offers even before the students finish their pharma program from leading national and multinational companies.

All these attribute ranked CCP as Best Pharmacy College in Punjab by One Planet Research in March 2013 and as Best Pharmacy College in North India consecutively for two years by Prime Time Media in March 2014 and Prime Time Media in March 2015.
