

Memorandum of Understanding
For
Academic & Clinical
Cooperation
Between
Jaipur National University
Institute for Medical Sciences and Research Centre,
Jaipur
&
Getwell Polyclinic & Hospital, Jaipur

1. This MOU is made on the 21st Dec 2020 at Jaipur.
2. Jaipur National University Institute for Medical Sciences and Research Centre is a tertiary care teaching Institute and aims to provide world class medical education along with best quality healthcare at cost effective prices to patients and aims to foster an environment of research.
3. Getwell Polyclinic & Hospital Jaipur, is a multi-specialty diagnostic centre, having dedicated faculties and state of the art equipment.
4. The objective of this MOU is to establish and formalize an alliance between the above mentioned two institutions in the areas of clinical services to the patients and training for prospective Post graduate MD Radio-diagnosis students for PET scan.
5. This agreement will form the basis and background for the two institutions to formulate and conduct joint activities and create academic and research infrastructure.
6. This agreement shall not confer on any partner any ownership rights in respect of the intellectual property that may emanate from joint endeavours.
7. This agreement shall remain valid for a period of 5 years starting from date 22/12/2020 to 21/12/2025. However, on mutual consent, it may be cancelled, modified or extended.
