8. The Scientists/Director working at the TFPL may be considered for recognition as independent Ph.D supervisors. The Ph.D thesis supervisor will be of the level of Assistant Professor or above provided he/she fulfills the qualifications to become a research supervisor as per the Ph.D Ordinance of Jaipur National University, Jaipur.
9. The TFPL would permit PG and/or Ph.D students Food Technology, Microbiology, Biochemistry and Biotechnology divisions of JNU for short or long term training in R&D or factory for periods ranging between 2- 12 months duration. The number and branch of students for such training/dissertation may vary from year to year and would mutually be worked out between the two organizations. The minimum number students in a given academic year will not be less than ten in any case. No fee would be charged by TFPL either from PG or Ph.D students. (The scientist and faculty member duly authorized by Chairperson of TFPL and Vice Chancellor of JNU respectively would be responsible for finalizing the number and/or modalities in a given academic year).
10. Ph. D students working at Jaipur National University, Jaipur will be allowed to avail the R&D facilities and pilot scale facilities available at TFPL and the Organization will extend all necessary facilities, consumables & expertise to the research students.
11. The scientists working at R&D of TFPL may supervise/mentor PG students in house projects of Centre for Food Processing, Jaipur National University, Jaipur.
12. The scientists of TFPL may take part in teaching program of Jaipur National University, Jaipur in every academic year as worked out by both the Institutions. Lectures may be delivered in Scientist's area(s) of specializations for the benefit of students. The topics of lectures and days/time will be fixed by mutual consultation between the Scientist and Head of concerned Department of Jaipur National University. The Jaipur National University may pay honorarium for the lectures delivered by scientists of TFPL as per the rules of the University.
13. The JNU and TFPL may apply for collaborative research projects to external funding agencies such as Ministry of Food Processing/ AYUSH/ DBT under programs such as SIBRE, BIRAP or any other such schemes of National or International Organizations and work in close association for achievement of the targets set forth.
14. Data generated through collaborative research will be published/ patented by both the Organizations. The Intellectual Property Right shall be jointly shared by Jaipur National University, Jaipur and TROPILITE FOODS Pvt. Ltd, Gwalior.
15. TFPL would assist JNU in entrepreneurship based initiatives in Food Processing for the benefit of students.
16. TFPL may consider contributing infrastructure requirement for food based R & D at Jaipur National University.
