

MEMORANDUM OF UNDERSTANDING

BETWEEN

The Curators of the University of Missouri on behalf of

THE UNIVERSITY OF MISSOURI-KANSAS CITY,

AND

JAIPUR NATIONAL UNIVERSITY

In accordance with a mutual desire to promote further cooperation and understanding between the United States and India and to enhance the intellectual and experiential resources of our two institutions, The Curators of the University of Missouri on behalf of the University of Missouri-Kansas City (hereinto referred to as UMKC) and Jaipur National University (hereinto referred to as JNU-Jaipur), Jaipur, India voluntarily join this Memorandum of Understanding on cultural and educational cooperation.

Article 1

This Memorandum of Understanding is to establish opportunities for inter-institutional exchanges and cooperation between UMKC and JNU-Jaipur. Both schools agree to promote education and research cooperation between the two schools on the basis of mutual respect for their autonomy, and under the laws and regulations in force in each country and institution, and within their available resources.

Both institutions will cooperate in fields of teaching and research to be agreed upon. Within these mutually designed fields of study, both institutions agree to the following general forms of cooperation:

- a) Joint research and educational activities at both the bachelor and graduate levels;
- b) Discussion on the development, organization, and delivery of non-degree programs;
- c) The exchange of invitations to scholars (faculty, research personnel and graduate students) to participate in lectures, conferences, and symposia;
- d) The exchange of faculty, staff, and research personnel for study and research;
- e) The exchange of graduate and undergraduate students for higher degrees. Specific tuition and other fees to be charged those students as well as the admission requirements shall be arranged according to the specific negotiated memoranda of articulation for these exchanges between the partner institutions.
- f) The exchange of academic and scientific information of mutual interest;
- g) Any other mutually agreed upon activity that would benefit both parties.

Article 2

The parties agree that this Memorandum of Understanding will provide the foundation and framework for the particular projects developed by academic and administrative units from the two institutions and that other and future project agreements will supplement or amend this Memorandum of Understanding.

Individual Schools or departments of UMKC and/or JNU-Jaipur that wish to engage in collaborative activities must negotiate a Supplementary and Specific Agreement (Memorandum of Articulation, or MOA) to this Memorandum of Understanding. To be valid, every MOA must be signed and approved by the relevant department or unit, college, academic affairs officer, and the institutional designated person(s) for binding contracts. The terms of the MOA may not, directly or by default, contradict the terms of this General Memorandum of Understanding between UMKC and JNU-Jaipur.

Any MOA negotiated between UMKC and JNU-Jaipur must clearly and fully identify the following elements:

- The scope, schedule, and objectives of the activity in detail;
- The responsible parties within the particular departments or units that are initiating the MOA. The individual(s) named will be directly responsible for the implementation and oversight of the proposed activity in the MOA. Changes to the personnel involved may be made at the discretion of the department or unit head, in coordination with Institutional points of contact at UMKC and JNU-Jaipur.
- The commitment of resources, if applicable, and the attendant financial obligations of the respective departments at the partner institutions. The General Memorandum of Understanding does not obligate either party to support any new financial commitment unless expressly agreed upon by the collaborating departments.
- The allocation and disposition of any intellectual property resulting from this collaboration, such as ownership of industrial rights patents, certificates of invention, registry of models, and copyright of written materials.

Article 3

Each institution shall designate an official representative who shall be the contact for all discussion associated with the initiation of the relationship, and who shall be responsible for maintaining oversight of the Memorandum of Understanding, and approving changes. For UMKC, depending on the nature of the agreement, this representative shall be either the Director of International Academic Programs, or the Director of International Student Affairs or their appointee. For JNU-Jaipur this representative shall be Prof. H. N. Verma, the Vice Chancellor.

Article 4

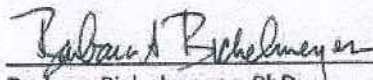

This MOU is made, entered into, and executed by the parties pursuant to the Policies of the Higher Learning Commission and is subject to the approval or notification requirements established by the Higher Learning Commission.

The Memorandum of Understanding will become valid upon signature (?) by both parties and shall remain in effect for a period of three (3) years from its effective date. It may be renewed or amended at any time before the actual expiration date by a written agreement signed by authorized representatives of both parties

Article 5

This Memorandum of Understanding may be terminated by either party upon three (3) months prior written notice to the other party; however, termination shall not affect the implementation of activities that have already commenced pursuant to a Specific Agreement (MOA). Those MOAs will remain in effect until the required associated activities are completed.
